Re: Application and Petition of Charter Fiberlink AZ - CCVII, LLC for a Certificate of Convenience and Necessity to Provide Intrastate Telecommunications Services; Docket No. T-04260A-04-0383; Decision No. 68493

Dear Sir or Madam:

Charter Fiberlink AZ - CCVII, LLC ("Charter Fiberlink" or the "Company") hereby respectfully requests that the Arizona Corporation Commission (the "Commission") immediately cancel the Certificate of Convenience and Necessity (the "CC&N") that was issued on February 23, 2006 in Docket No. T-04260A-04-0383. Charter Fiberlink further requests that this voluntary cancellation of its CC&N be accomplished without the necessity of a hearing, and without prejudice to the ability of Charter Fiberlink to re-apply for authority from the Commission to provide resold and facilities-based long distance, resold and facilities-based local exchange, alternative operator services and private line telecommunications services in Arizona.

Charter Fiberlink has not commenced provision of telecommunications services in Arizona; therefore, as of March 6, 2007, Charter Fiberlink serves no customers in Arizona. Accordingly, grant of the Company's request is in the public interest and no customers will be affected by cancellation of the CC&N.

In addition, Charter Fiberlink respectfully withdraws its February 16, 2007 request for an extension of time in which to respond to the Commission's Compliance Notice concerning the filing of tariffs and a performance bond in connection with the above-referenced docket.
